

VIP TOUR

Discover the château through an exclusive private visit

Whether you represent a company, a public institution, or are planning a private event, offer your clients, colleagues, family, friends, or distinguished guests an unforgettable experience with the VIP Tours of the Château de Compiègne.

Treat them to a unique journey through the centuries. An intimate cultural interlude within one of France's most magnificent royal and imperial residences.

Depending on the spaces visited and the size of your group, we offer two different formats: a *Royal Tour* or an *Imperial Tour*.

Our tours are conducted by an expert guide and take place outside public opening hours (from 6:30 p.m. to 9:00 p.m.), or on Tuesdays during the day (from 10:00 a.m. to 9:00 p.m.).

Is your group larger than 30 guests?
